

Fall Festival

Monday, 14 September 2009 04:06 - Last Updated Tuesday, 27 October 2009 18:55

Our first Fall Festival on Sunday, September 27. Come and visit Woodlawn Farm against an autumn backdrop that will feature music (including Ken Bradbury), a visit from Underground Railroad conductor Harriet Tubman, a demonstration of 19th century rifles and pistols by a local gunsmith, and our first public showing of the vintage farm equipment given to us by our good friends at the Prairieland Heritage Museum
